Search Our Library

- **Library Books** - Search for books and library materials located in the shared online catalog of the ALC libraries -MCM, HSU, ACU, HPU and the Abilene Public Library.
- **Multi-Search**- searches all of the databases, online catalog, eBooks and eJournals at one time.

Featured Databases

- **Journal Finder**- use to see if we carry print or digital access to specific journals. You can also search by subject or database.

Explore All External Databases

- Use the **Search Box** or:
 - Scroll down and you will find databases arranged by subject/discipline area.
 - Scroll down **Multi-Subject Databases and Database Collections** for our subject databases.

Interlibrary loans

- If you cannot find a particular book or article you are looking for in local libraries, you can request an Inter-Library Loan's (ILL's) from other Texas libraries or through McMurry using WorldCat or Multi-Search to make requests. Contact Keith Waddle our [reference librarian](#), for assistance.
