² "Number of confidential reports" is a sub-set of the total number of reports that were received under Section 51.252, by a confidential employee or office (e.g., Counseling Center, Student Health Center, Victim Advocate for Students, or Student Ombuds).

³ "Disposition" means "final result under the institution's disciplinary process" as defined in the Texas Higher Education Coordinating Board's (THECB) rules for TEC, Section 51.259 (See 19 Tex. Admin. Code Section 3.6(e) (2019)); therefore, pending disciplinary processes will not be listed until the final result is rendered.

⁴ "No Finding of a Policy Violation" in this section refers to instances where there is no finding of responsibility after a hearing or an appeal process; investigations completed with a preponderance of evidence not met are excluded, because it would not have moved forward into a disciplinary process.

⁵ The institution may have determined "not to initiate a disciplinary process." The reasons for not initiating a discipline process can include, but are not limited to: case dismissal; insufficient information to investigate; confidential employee reporting (no identifiable information); the respondent's identity was unknown or not reported; the respondent was not university-affiliated; the complainant requested the institution not investigate the report; informal resolution was completed; investigation is ongoing; or investigation was completed with a preponderance of evidence not met.
